MEMORANDUM FOR GENERAL MARTIN, DIRECTOR, SAFSP  
[REDACTED] DIRECTOR, CIA RECONNAISSANCE  
PROGRAMS

SUBJECT: Reports of the Technical Task Group for the New  
Photographic Search and Surveillance System

Attached is the report of the Technical Task Group, and  
proposed guidance and implementing directives submitted in  
response to DNRO Action Memorandum No. 2, dated October 15,  
1965.

It is requested that you review these documents and  
forward your comments and the rationale supporting any  
suggested changes to me by November 22, 1965. Your review  
should reflect the comments you have made on the report of  
management alternatives for this system forwarded to you on  
October 27, 1965.

Your comments will aid my decision as to the technical  
approach to be taken in the development of this new system.
